DEPOSITS AND PAYMENTS

Due to our commitment of quality, we can only produce a certain number of wedding cakes per weekend. Please reserve your cake as soon as possible; especially during the holidays and months of April, May, June, July, September and October. A three to six month notice is suggested to ensure availability, but we will try to accommodate all brides no matter what the time line is. Remember, it is never too early to reserve the date, but no more than one year is sufficient.

A 25% deposit of the total order is required when ordering the cake or to reserve the date. This deposit applies directly to your total balance. If you are unsure of your wedding cake design, you can place a deposit to reserve the date and decide on the design later. The remaining balance is due no less than one month prior to the wedding date. All final changes should also be submitted one month prior to the wedding date. Any changes after this date must be approved by Sweet Nothings' management. Please note that additional fees may apply.

Acceptable forms off payment are cash, check or credit card. All checks require a two week clearing period; therefore, if your date is less than two weeks away, final payments must be cash or credit only.

There is a separate **cash only** deposit required for all returnable items, such as fountains, separator plates, pillars, etc. This is also due no less than two weeks prior to the date. If any parts are broken or pieces missing, the replaceable cost will be deducted from the deposit. If all parts are returned in good condition within the noted time frame, your cash deposit will be refunded in full.

You can also liven up your cake with our delicious fillings! A variety of fillings are available at an extra charge per servings, which is added to your cake batter choice. Fillings are a delicious accompaniment when the cake is served as dessert. Category prices (per serving) are as follows:

CUPCAKE TOWERS

Is the tiered wedding cake not for you? Some couples opt for something out of the ordinary whether by personal choice or budget restraints.

How about cupcakes? We have a six tiered round white tower to hold a 6" cake on top and up to 85-90 cupcakes total. We also have a square stand that holds a 6" cake and up to 110 cupcakes. Cupcakes are decorated with a flower or a design of your choice starting at \$2.25 each. The 6" cake is an option priced at \$39.50. There is a refundable deposit for the stand and a set up fee of \$30.00. Please note that there is a minimum order of 85 cupcakes.

GROOMS CAKES

Grooms cakes are an old tradition that is once again becoming very popular. It is no longer the traditional chocolate tiered cakes. Now, brides are surprising their groom with their own unique cake that is all about him! From 3-D to tiered whimsical cakes, make it about the groom! They are available in a variety of shapes and sizes. Some ideas may be their favorite car, sport, or sports team, TV characters, food items, a favorite pastime or hobby. The ideas are endless and customized to your man.

The grooms cake can be ordered at the time of the wedding cake and we will also deliver it with the wedding cake, usually at no additional charge.

ADDITIONAL SERVINGS

You may also choose to have a small main cake for display and picture taking; then have a "kitchen cake" for the remaining servings. A kitchen cake is \$1.00 less per serving of cake/filling of your choice and is iced in white buttercream, but kept in the kitchen to serve your additional guests. This is a great idea for the budget conscious bride or a bride who isn't concerned with having a large cake on display. You may still do your cake cutting and serve numerous guests, but at a cost savings to you.
